Hello,

Though this school year ended under unusual circumstances, John Rex Charter School looks ahead to a bright future.

Our current spaces are bursting at the seams, and we need more room to accommodate the influx of students in downtown Oklahoma City. Local families have come to depend on John Rex for a quality, well-rounded education which includes vital arts and music curriculum.

We're currently renovating the historic McAlpine Center, located one block from the school's main building, to become a new learning space for our diverse and expanding student body. The center will serve fifth through eighth grade students and offer art and music classrooms, as well as outdoor space, to benefit all grade levels.

Thanks to a federal grant, support from the Inasmuch Foundation and donations from the family of Mr. John Rex, we've raised \$825,000 of the \$1.2 million total project cost. There's \$400,000 left to raise before August 1 — and we need help from our neighbors, partners and donors to make it happen.

We're calling on John Rex Rockets champions like YOU to get us over the finish line! Whether your donation is big or small, it will make a difference in advancing educational opportunities for kids in downtown OKC. Together, we can accomplish this goal.

Varying sponsorship opportunities and benefits are available:

- Art Room, Music Room & Outdoor Space Naming Opportunities — \$50,000
- Office & Classroom Naming Opportunities — \$25,000
- Sponsor a Technology Bundle — \$25,000
- Sponsor a Student Workshop — \$10,000
- Rocket Spirit Donor — \$2,500 and \$5,000 levels
- Stepping Stone Donor (Buy a brick!) — \$150

We are a resilient, strong, thriving community — people are moving downtown because of the opportunities at John Rex, and the McAlpine Center will allow us to instill a love of learning in even more children. By renovating the historic building, we're beautifying our neighborhood and creating a fun, conducive learning space to give our students the best education possible.

Are you with us, OKC? To pledge your support, visit JohnRexSchool.org/Expansion. Together, we'll make this dream a reality!

Sincerely,

Heather Zacarias
Interim Superintendent, Director of Elementary Education
