Board Member: Megan Oftedal

Dr. Megan Oftedal is a results-driven data leader with over a decade of experience in both the public and private sectors. She currently serves as the Executive Director of the Office of Educational Quality and Accountability (OEQA), a state government agency focused on supporting an educational system where all Oklahoma students receive a high-quality education through data-driven decision-making, continuous improvement, and transformative innovation. Prior to serving OEQA, Dr. Oftedal led data science teams at Meta and American Fidelity. She also has an extensive background in educational policy and research, including tenure at the RAND Corporation where her work focused on aligning educational funding with quality outcomes and fostering innovation in K-12 education.
